

Highlights of the Year

Key Achievements and Highlights of the Year of the College Academic:

- ✓ Exam-result: 95% students appeared at the Hons final exam and the pass rate is 86%.
- ✓ Incourse exam: 100% students participated in the incourse exam.
- ✓ HSC Exam result 84.13%.
- ✓ Classroom performance: Due to covid-19 pandemic situations, online classes have been conducted and 60% students were present in the virtual classes. Exams were also taken on online. At present classes are going on practically as usual.

Technological Development: No technological development has been done during this time. In this college, there is no internet connectivity and website.

Key Achievements and Highlights of the Year of the Departments

In the year, the college activities remained closed due to covid-19. Yet, all the departments of the college performed their academic activities through online. However, by the grace of Almighty Allah, academic activities are being performed at present practically and physically.

Highlights of Student Activities of the Academic year:

Education is the backbone of a nation. It is the key to development and prosperity. The main duty of students is to study regularly. They are attentively engaged in learning. Though, during this year, due to covid-19, students' activities were closed offline and about 60% students participated in academic activities through online. Those who attended the online classes were very responsive to their activities. In Bangladesh context, though the classroom is teacher centred, we have been trying to make it learner-centred through question-answer method, sharing method, problem-solving method and online library. The students are gradually responding to these methods. We hope that we will be successful in this regard.

Extra-curricular Activities:

Extra-curriculum activities are games and sports, cultural activities and social activities. The students of this college usually participate in extra-curricular activities but during the pandemic situation the college was closed and so they failed to participate in co-curricular activities but a few of them participated in awareness program among the public about the harmful effects of corona virus. Now, extra-curricular activities are going on practically.

Key Achievements and Highlights of Institutional Development Grants (IDG)

Five packages such as G-1(RFQ), G-2(RFQ), G-3(OTM), W-1(OTM) G-8(OTM), G-9(OTM), G-12(OTM) central procurement package (Desktop, Laptop, Photocopier and projectors have already been done.
